This is why you remain in the best website to look the amazing books to have.
A Modern Pilgrim in Mecca and a Siege in Sanaa (1913-1914) - E. J. Rawlinson 2006-11-18 CONTENTS: INTRODUCTION, PART I CHAPTE fruitless efforts to force the Arab army to a commitment to the Ottoman cause were made by the British prime minister, but these efforts were not supported by the French, who preferred to keep the Ottoman Empire intact. Instead, the British seemed to be more interested in using the Arab Revolt as a means to achieve their own goals in the region. The Arab Revolt of 1916-18 was one of the most dramatic events of World War I (1914-1918). It resulted in the birth of the modern Middle East and also created one of the most enduring myths of the war, the story of “Lawrence of Arabia”. In fact, it could be argued that the rebellion represented in Arab affairs. This book examines the revolt without this prejudice, describing and analyzing the background and events of the revolt. Breaking the process into several broad phases, the author examines the initial capture of coastal towns like Jeddah, which secured and this allowed for the re-supply of the rebel soldiers. Lawrence and others blew up trains in the desert, Wilson and his men carried out their shadowy intelligence and diplomatic work. His deputies rooted out anti-British of fellow officers and spies. This groundbreaking account by Philip Walker interweaves the compelling stories of Colonel Cyril Wilson and a colourful supporting cast. This groundbreaking volume makes just such a contribution. Neil Faulkner draws on ten years of field research to offer the first truly multidisciplinary and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was moulded by them. The story of the book can be related to many broad subjects like political history, military strategy, or travel story. Lawrence, known as T E Shaw, the defender of the empire, had won the Arab war in the Arab world and a long lasting solitude to the End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation. The Hejaz Railway 1900-1918-Abdulah Muhammad Al-Hamood 1989

Behind the Lawrence Legend-Philip Walker 2014-04-04 T. E. Lawrence became world-famous as “Lawrence of Arabia”, after helping Sherif Husseins of Mecca gain independence from Turkey during the Arab Revolt of 1916-18. His achievements, however, would have been impossible without the amazing efforts of a forgotten band of fellow officers and spies. This groundbreaking account by Philip Walker interweaves the compelling stories of Colonel Cyril Wilson and a colourful supporting cast with the narrative of the Lawrence and the desert campaign. These men’s lost tales provide a remarkable and fresh perspective on Lawrence and the Arab Revolt. While Lawrence and others blew up trains in the desert, Wilson and his men carried out their shadowy intelligence and diplomatic work. His deputies rooted out anti-British soldiers who were trying to sabotage the revolt. Meanwhile, Lieutenant Lionel Gray, a cipher officer, provided a gateway into unknown aspects of the revolt through his previously unpublished photographs and writings. Wilson’s crucial influence underlines these missions and steered the revolt on a number of occasions when it could have collapsed. Without Wilson and his circle there would have been no “Lawrence of Arabia”. Wilson’s band mostly fell through the cracks of history into obscurity. “Behind the Lawrence Legend” reveals their vital impact and puts Lawrence’s efforts into context, and helps to set the record straight about one of the most beguiling and iconic characters of the twentieth century.
