Philosophy of history - Wikipedia
Philosophy of history is the philosophical study of history and its discipline. The term was coined by French philosopher Voltaire. In contemporary philosophy a distinction has developed between speculative philosophy of history and critical philosophy of history, now referred to as analytic. The former questions the meaning and purpose of the historical process whereas the latter studies the

Chinese Philosophy: Overview of History | Internet
Lao Tzu's History of the Chinese Philosophy in 1982 makes it quite clear that his intention was to write a work that made use of Western critical standards in all respects. One of the most thorough and well-informed studies of the history of Chinese philosophy in a single volume is The Chinese History of Philosophy, edited by Bo Mou.

Philosophy - Wikipedia
Philosophy (from Greek: φιλοσοφία, philosophia, 'love of wisdom') is the study of general and fundamental questions, such as those about existence, reason, knowledge, values, mind, and language. Such questions are often posed as problems to be studied or resolved. Some sources claim the term was coined by Pythagoras (c. 570 - c. 495 BCE) others dispute this story, arguing that
